

K-LOVE Radio must remain on-air in it's current format. Please do not allow LPFM to eradicate a life staple of mine,

& hundreds of thousands of loyal listeners.

This programming is family-friendly, has helped me, my family, & friends during times of despair & grief, & serves such a large community of decent, law abiding, & educated listeners. I feel that my teenage sons have taken away a few life lessons, that perhaps they didn't want to hear in church, but could relate to in musical terms. This radio station is a huge part of my everyday life & I, for one, would be devastated to see it's demise. Please, please reconsider when making any decisions regarding K-LOVE radio & it's affiliates. Thank you for listening- ...a Loyal Listener & Believer (not to be confused with a 'Bible Thumper'!!)
